MEDICAL AND TRAVEL INSURANCE (This is compulsory)

Please have the Certificate of Health completed and send with this enrolment form.

Marlborough Boys' College holds a Master Policy with Uni-Care International Ltd and we strongly recommend that you allow us to arrange suitable cover under this policy. The policy includes dental and optical cover, insurance for your possessions, and insurance for loss of any air tickets or deposits you have made. We require that you have insurance that will cover the cost of medical treatment in New Zealand for the duration of your stay in New Zealand and to cover your travel to and from New Zealand. We will organise this insurance for students on receipt of the payment of fees. In the case of overseas policy providers, students must provide Marlborough Boys' College with the policy details in English at least one month before the students travel to Marlborough Boys' College for verification. Where the policy does not meet the requirements of the Code of Practice, the College will notify you immediately to enable the organisation of appropriate insurance prior to the student leaving their home country.

Most students are not entitled to publicly-funded health services while in New Zealand unless they are:

- A resident or citizen of Australia; or
- A national of the United Kingdom in New Zealand; or
- The holder of a temporary permit that is valid for two years or more.

If you do not belong to one of these special categories and you receive medical treatment during your visit, you will be liable for the full costs of treatment. Full details on entitlements to publicly-funded health services are available through the Ministry of Health, and can be viewed on their website at www.moh.govt.nz.

The Accident Compensation Corporation provides accident insurance for all New Zealand citizens, residents and temporary visitors to New Zealand, but you may still be liable for all other medical and related costs. Further information can be viewed on the ACC website, www.acc.co.nz

FAILURE TO MEET EXPECTATIONS

When an International Student fails to meet these expectations a number of steps will be taken to help correct the problems. This will involve our Director talking to the student, College and homestay parents. A record will be kept of all incidents where students fail to meet the College's expectations. This record will include the College's response. Parents will be kept fully informed of any situations causing concern and should feel free to contact the College staff at any time.

If, after a series of warnings, a student's behaviour or attitude is still unacceptable they will follow the exclusion and suspension procedures as outlined in the Education Act will be followed. In addition, where a decision is made to exclude a student from the school's homestay arrangements and this necessitates a return home, the following procedures will be followed -

- The agent and parents of the international student will be notified of the matters causing concern.
- A decision will be made as to whether the student should be given permission to enrol with an alternative provider in New Zealand.
- The Principal's decision can be referred to the Board of Trustees where the student has been suspended or removed from the homestay.
- The student has the right to attend the hearing and to be represented as provided for in the 1989 Education Act.
